

International Kangaroo Science Competition International Kangaroo Science Competition (IKSC)

Dear parents,

We would like our unique MELS students to join the **International Kangaroo Science competition**

- It will be a great experience, to open up their minds.
- It is for students from **Grade 1 to Grade 10.**
- The deadline for registration is **17/11/2023**, the exam will be on **1&2/12/2023**
- The competition "International Kangaroo Science Contest" is organized by the Kangourou Sans Frontières - Pakistan.
- The main objective is to **promote educational activities** that help children **discover their talent** and **mental capacities** as early as their primary education begins.

- Participating in the competition will let students enjoy Science, help them apply the Explore and discover skills, and develop their problem-solving ability.
- The competition is under the supervision of the Egyptian Ministry of Education.
- Participation fee for each student is **325 L.E.** to be paid by credit card or Fawry (Edumeter Egypt account)
